### GEZELLIGATOR

1/6 BBL KEGS-\$89.99

**Doppelbock /8.5% ABV / 16 IBU**

1/2 BBL KEGS-\$189.99

**TASTING NOTES:** This beer is a rich malty lager. We use mostly German Munich malt which gives the beer a toasty, sweet malt complexity. We also use decoction mashing which accentuates the malt character. There is just the right amount on Hallertau Hersbrucker hops to give the beer a nice balance. It is relatively high in alcohol so it will keep you warm on those cold late winter, early spring nights. While fairly sweet it still finishes dry and crisp.

### CONNEMARA

**Irish Stout /4.6% ABV / 40.2 IBU**

1/2 BBL KEG - \$139.99

**TASTING NOTES:** A unique beer in that it's pitch black but not heavy at all. Bitterness is not only derived from hops but also from roasted un-malted barley. You won't see any light through this beer but it is very quaffable and pleasing. Notes of dark chocolate and espresso without a lot of malt sweetness. It finishes quite dry and refreshing.
